Dear Mr. DeAngelo:

On Thursday, December 3, 1987, Ms. Kathy Svilar came here to Robert Morris College to speak about her career in television to my Introduction to Performing Arts class. She enchanted the 35 students present.

Shop 'N Save should be very proud and pleased to have such a wonderful representative. It was very obvious to all who heard her that Ms. Svilar sincerely believed in her company and her work. Her integrity is most impressive.

We were all grateful that she gave so unselfishly of her time and talent to be with us here at Robert Morris, and when the class was over she remained to speak even further with individual students about their career goals. Everyone she spoke with benefited from her charm, her enthusiasm, and her interest.

Thank you very much for giving Kathy Svilar the opportunity to blossom into a superb spokesperson, and thank you very much for sharing her with us.

Yours truly,
